## Jesus and Calling

### On the Road to Easter

Diocese of  
**Guildford**

## Week 1

Over the next five weeks, we hope you can join with friends seeking the call of the Holy Spirit, for your church, for your community and for your day-to-day lives. The 'Jesus and Calling: On the Road to Easter' Lent course gives you the opportunity to go on a journey exploring the calling Jesus had on His life and open you to discern your own call.

Each week there will be a passage to read with your small group, a 15-minute video exploring the passage alongside the theme of vocation, discussion questions to help unpick the theme a little further and two optional 2-minute testimonial videos. All the videos are available to view on the Diocese of Guildford YouTube channel or downloadable from the website on the Lent page – [www.cofeguildford.org.uk/lent](http://www.cofeguildford.org.uk/lent).

## Mark 1:9-19 | Identity and calling | Bishops Andrew Watson and Paul Davies

Please read the passage then watch the discussion video.

### Discussion Questions

1. Think about when you were first aware of Jesus. What were your first impressions? How has that changed over the years?
2. How is the kingdom of God good news for you?
3. Do you have a sense of what Jesus might be calling you to do?

### Optional testimonial videos

Do feel free to take time to watch the testimonial videos of those who are in, or have been on, ministry training programmes.

### Next steps

If you would like to explore your calling further we would recommend speaking to your church leadership in the first instance. The Foundations in Ministry course at the Diocese of Guildford is a good practical step to take on that journey. You can find out more by scanning the QR code or heading to the Diocese of Guildford website.
